Re: Bobbit v. Filipowski, et al., C.A. No. 04-12263-PBS

Dear Judge Saris:

I serve as Liaison Counsel to the class plaintiffs in the above-referenced securities class action and write to the Court in connection with the proposed settlement. When we last appeared before your Honor on June 23, 2006, the Court requested that we provide a supplemental memorandum setting forth in greater detail the advantages of the proposed settlement and an explanation as to why the Court should grant its preliminary approval. At that time, the Court inquired as to when this submission could be made, to which we responded that we would be able to file it within the next three weeks, i.e. by today. We now realize that asking for an additional week at that time would have been more prudent, and accordingly, respectfully request that the Court allow us one additional week to file our supplemental memorandum.

Respectfully submitted,

David Pastor
